

**Announcement- August 22, 2019**

**Ariel Technology Inc.** (Arieltech) [www.arieltech.ca](http://www.arieltech.ca) is proud to welcome **Heritage Sales and Marketing** <http://www.heritagemarketingsales.com> as our Manufacturers' Agents in Ontario

Jack Eva

Heritage Sales and Marketing Group was created in late 2015 by Jack Eva, the former owner and operator of Electra Supply Inc., a four-branch independent distributor in South Western Ontario, which he sold in 2012 to the Franklin Empire organization based in Quebec Canada. Heritage Sales is an active member at Electro Federation Canada (**EFC**) & Canadian Electrical Manufacturers' Representatives Association (**CEMRA**)

Jack and his experienced team of 3 outside sales reps and 1 inside customer service rep. will cover the **Ontario Territory from Windsor to Ottawa including Northern Ontario from Sault St. Marie to North Bay** regions for Ariel Technology Inc. Heritage Sales & Marketing Group have numerous contacts in the electrical distribution, manufacturing and agency arenas throughout Canada. Jack and his team of experienced professional reps will do very well in this new role with Arieltech.

We want to welcome Jack and his team at Heritage Sales and look forward to a long and mutually rewarding relationship.
