

Leviton Lighting Canada appoints New Business Development Representative, GTA

Toronto, ON, March 14th, 2022 - Leviton Lighting Canada is excited to announce Aaron Ducharme as the new Business Development Representative for the Greater Toronto Area effective immediately.

Aaron possesses knowledge and expertise in lighting and controls. He has a proven track record of sales growth and building strong relationships. This experience will help drive all the lighting brands within Leviton Lighting Canada (Visioneering, Certolux, Intense, V-Rail, Birchwood and Contech) with an emphasis on providing our customers with engineered solutions.

“Aaron joining Leviton Lighting Canada is very exciting for us. His lighting and controls knowledge, along with his engineering and contractor relationships throughout the Greater Toronto Area is a great fit”, said Jimmy Siavelis, Regional Sales Manager, Central Canada

We would like to welcome Aaron to the team and wish him much success in his new role.

Sincerely,

Jimmy Siavelis
Regional Sales Manager, Central
