

FOR IMMEDIATE RELEASE

Hammond Power Solutions Appoints Aaron Karr as Regional Sales Manager

GUELPH, ON (April 24, 2026) -- Hammond Power Solutions (HPS), a leader in dry-type transformers and power quality solutions, is pleased to announce the appointment of Aaron Karr as Regional Sales Manager for Southwestern Ontario.

In this role, Aaron will support customers and distributor partners across the region, with a focus on driving growth, providing education, and advancing marketing efforts toward more sustainable, forward-looking solutions.

Aaron brings more than 20 years of experience in the electrical industry, with a strong background in outside sales and channel development. He began his career with Westburne Electric Supply before joining Hammond Manufacturing, where he spent 14 years supporting distributor partners and end users throughout Southwestern Ontario.

“Aaron’s deep industry experience and established relationships in the Southwestern Ontario market make him a strong addition to our Canadian sales team,” said Domenic Giovinazzo, Director, Canadian Sales at HPS. “His customer-focused approach and market knowledge will help us continue delivering reliable solutions and responsive support across the region.”

This appointment reflects HPS’s continued commitment to strong regional coverage and dedicated support for customers and partners across Southwestern Ontario.

ABOUT HAMMOND POWER SOLUTIONS INC.

Hammond Power Solutions Inc. (“HPS” or the “Company”) enables electrification through its broad range of dry-type transformers, power quality products and related magnetics. HPS’ standard and custom-designed products are essential and ubiquitous in electrical distribution networks through an extensive range of end-user applications. The Company has manufacturing plants in Canada, the United States (U.S.), Mexico and India and sells its products around the globe. HPS shares are listed on the Toronto Stock Exchange and trade under the symbol HPS.A.
