

Delta Transformers Appoints New Representative in Ontario.

BROSSARD, QC (September 28, 2026) – Delta Transformers, a Canadian manufacturer of dry-type transformers, is pleased to announce the appointment of Spectrum Power Systems as their new representative in Ontario, Canada, effective October 1st, 2026.

For over 27 years Spectrum Power Systems has been representing leading electrical manufacturers throughout Ontario. The company has a strong presence in the electrical power quality and distribution sector, as well as in commercial and industrial construction. Their experienced team is committed to delivering exceptional service and innovative solutions that address the evolving needs of the electrical industry.

“Spectrum Power Systems will provide our customers with enhanced support for complex, project-driven applications”, stated Mario Mongrain, National Sales Manager. “Spectrum’s project-focused expertise and established presence in Ontario’s electrical market will strengthen Delta’s ability to support customers throughout the project lifecycle, from project development and specification to product selection and execution.”
